

Dear Community Member,

I would like to take this opportunity to introduce you to a vital part of Woodbury City community: the Woodbury Soccer Club (WSC). WSC was established in the fall of 1969, this fall is our 50 year anniversary. WSC has a long tradition of developing boys' and girls' soccer skills, as well as a long history of fielding competitive teams that enjoy success locally and regionally. Even more importantly, the Club has had a positive impact on the lives of Woodbury area youth, their families, and the community.

Kids who participate in organized sports teams benefit in many areas, not just on the field. According to the National Association for Sport and Physical Education, children who play sports develop critical socialization skills like learning how to effectively interact with both peers and adults. The American Academy of Child & Adolescent Psychiatry has said that children who participate in club sports have better self-esteem, are less likely to have depression and have reduced anxiety. Participating on a team also helps children become more effective critical thinkers and better problem solvers. Student athletes tend to drop out less, have better overall academic performances and are less likely to use drugs.

Our Club is run by volunteers. Our Board of Directors, coaches, assistants, maintenance crew and Snack Stand is all staffed by parents and guardians who donate their time and talents to help keep our Club running. Some of our volunteers have been helping for over 10 years! We have a very dedicated group of people working hard to help our kids both on and off the field.

In order to continue to offering this rewarding experience to more children, we are reaching out to various members of the Woodbury community for help. We are developing a new sponsorship program that will allow us to reach more kids more effectively. With your donation we can ensure we have new equipment such as balls and nets, keep the fields properly maintained and offer scholarships to players who cannot afford to pay.

Please take a moment to review the information included to decide which sponsorship level fits your budget best. All checks can be made out to the "Woodbury Soccer Club" and invoices for your tax-deductible donation will be sent out once your funds have been deposited.

Thank you very much for your time and your help with keeping our program growing!

Respectfully yours,

Woodbury Soccer Club President
